

Nov 16-20 Remote Learning Schedule

STUDENT

Unlike the Spring, this round of remote learning requires you to attend your classes at specific times via Google Meets. **Class starts promptly at 10am each day**, so sign into Schoology *prior* to 10am and find the Google Meet link in your first class of the day.

Though live teaching and learning ends at 2pm, you will have additional work to complete outside of those hours. **You must be present and complete work in all classes in order to be successful. Attendance will be taken. Look in the “announcements” of each of your teachers’ Schoology courses** to find important information and updates
